

Cassandra Aubrey R. Arcilla

UI/UX Designer · Frontend Specialist

■ Pulung Cacutud, Angeles City
■ 092 2518 0286
✉ cassandra.arcilla@email.com

OBJECTIVE

A versatile Web Developer specializing in UI/UX design and modern frontend development, with supporting skills in backend technologies. I create intuitive, user-centered interfaces that blend clean aesthetics with seamless functionality, leveraging UX principles to enhance usability and engagement — improving user interaction by up to 75%. I excel in building responsive, high-performance frontend applications using contemporary JavaScript frameworks, while also implementing reliable backend features such as APIs, data handling, and server-side logic.
